

The NCCU Eagle Club

"WHERE WE ARE PARTNERING TO BUILD CHAMPIONS FOR A BETTER COMMUNITY AND BRIGHTER FUTURE"

The North Carolina Central University Educational Advancement Foundation, commonly known as The Eagle Club, was incorporated in 1975 for the purpose of generating scholarship funds, which are placed in an endowment and used to attract and educate quality students with strong extracurricular skills.

Extra-curricular activities are often the most important contributing element in the climate of a university campus. They give the university and the community instantly recognizable models of the highly competitive world in which we live.

When you join The Eagle Club, your contribution will:

- **Provide scholarships for NCCU student athletes**
- **Build championship athletics at NCCU**
- **Enhance NCCU's grant solicitation capacity**

Most importantly, your membership and contribution to the Eagle Club helps to build champions for a better community and brighter future through NCCU athletics.

The Eagle Club is dedicated to building champions for a better community and brighter future through NCCU athletics. *NCCU athletic programs have enjoyed national and conference championships.* Sixteen men's and women's sports teams participate in the National Collegiate Athletic Association (NCAA), and the program is currently in the process of *transitioning to NCAA Division I.*

Men's intercollegiate teams include football, basketball, baseball, indoor and outdoor track, tennis, golf and cross country. Women's intercollegiate teams include basketball, volleyball, indoor and outdoor track, tennis, softball, bowling and cross country. And your support has benefits.
